## 5. CERTAIN RIGHTS AND IMMUNITIES FOR THE CARRIER AND OTHER PERSONS

(1) The Carrier shall be entitled to sub-contract on any terms the whole or any part of the Carriage.

(2) The Merchant undertakes that no claim or allegation shall be made against any person or vessel whatsoever, other than the Carrier, including, but not limited to, the Carrier's servants or agents, any independent contractor and his servants or agents, and all others by whom the whole or any part of the Carriage, whether directly or indirectly, is procured, performed or undertaken, which imposes or attempts to impose upon any such person or vessel any liability whatsoever in connection with the Goods, in the Carriage, and any claim or allegation should nevertheless be made to defend, indemnify and hold harmless the Carrier against all consequences thereof. Without prejudice to the foregoing, every such person and vessel shall have the benefit of all provisions herein benefiting the Carrier as if such provisions were expressly for his benefit and in entering into the contract the Carrier, to the extent of such provisions, does so not only on his own behalf but also as agent or trustee for such persons and vessels and such persons and vessels shall to this extent be deemed to be parties to this contract.

(3) The Merchant shall defend, indemnify and hold harmless the Carrier against any claim or liability (and any expense arising therefrom) arising from the Carriage of the Goods insofar as such claim or liability exceeds the Carrier's liability under this Bill of Lading.

(4) The defences and limits of liability provided for in this Bill of Lading shall apply in any action against the Carrier whether the action be founded in Contract or in Tort.

## 6. CARRIER'S RESPONSIBILITY

### (1) CLAUSE PARAMOUNT

(A) Subject to clause 1.3 below, this Bill of Lading insofar as it relates to sea carriage by any vessel whether named herein or not shall have effect subject to the Hague Rules or any legislation making such Rules or the Hague Visby Rules applicable (such as COGSA or COGWA) to this Bill of Lading and the provisions of the Hague Rules or applicable legislation shall be deemed incorporated herein. The Hague Rules (or COGSA or COGWA, if this Bill of Lading is subject to U.S. or Canadian law respectively) shall apply to the carriage of Goods by inland waterways and reference to carriage by sea in such Rules or legislation shall be deemed to include references to inland waterways and to the extent that the provisions of the Harter Act of the United States of America 1892 would otherwise be compulsorily applicable to regulate the Carrier's responsibility for the Goods during any period prior to loading on or after discharge from the vessel, the Carrier's responsibility shall instead be determined by the provisions of (6)(3) below, but if such provisions are found to be invalid such responsibility shall be subject to COGSA.

(B) The Carrier shall be entitled to (and nothing in this Bill of Lading shall operate to deprive or limit such an entitlement) the full benefit of and rights to all limitations and exclusions from liability and all rights conferred or authorised by any applicable law, statute or regulation of any country including, but not limited to, where applicable any provisions or sections 4281 to 4282, inclusive, of the Revised Statutes of the United States of America and amendments thereto and where applicable any provisions of the laws of the United States of America and without prejudice to the generality of the foregoing also any law, statute or regulation available to the owner of the vessel(s) on which the Goods are carried.

### (2) PORT TO PORT SHIPMENT

The responsibility of the Carrier is limited to that part of the Carriage from and during loading onto the vessel up to and during discharge from the vessel and the Carrier shall not be liable for any loss or damage whatsoever in respect of the Goods or for any other matter arising during any other part of the Carriage even though Charges for the whole Carriage have been charged by the Carrier. The Merchant constitutes the Carrier as agent to enter into contracts on behalf of the Merchant with others for transport, storage, handling or any other services in respect of the Goods prior to loading and subsequent to discharge of the Goods from the vessel without responsibility for any act or omission whatsoever on the part of the Carrier or others and the Carrier may as such agent enter into contracts with others on any terms whatsoever including terms less favourable than the terms in this Bill of Lading.

(3) COMBINED TRANSPORT

Save as is otherwise provided in this Bill of Lading, the Carrier shall be liable for loss or damage to the Goods occurring from the time that the Goods are taken into his charge until the time of delivery to the extent set out below:

(A) Where the stage of Carriage where the loss or damage occurred cannot be proved:

(i) The Carrier shall be entitled to rely upon all exclusions from liability under the Rules or legislation that would have been applied under (1)(A) above had the loss or damage occurred at sea or, if there was no carriage by sea, under the Hague Rules (or COGSA or COGWA, if this Bill of Lading is subject to U.S. or Canadian law respectively).

(ii) Where under (i) above, the Carrier is not liable in respect of some of the factors causing the loss or damage, he shall only be liable to the extent that those factors for which he is liable have contributed to the loss or damage.

(iii) Subject to (6)(4)(C) below, where the Hague Rules or any legislation applying such Rules or the Hague Visby Rules (such as COGSA or COGWA) is not compulsorily applicable, the Carrier's liability shall not exceed US\$500 per package or shipping unit or US\$2.00 per kilo of the gross weight of the Goods lost, damaged or in respect of which the claim arises or the value of such Goods whichever is the less.

(iv) The value of the Goods shall be determined according to the commodity exchange price at the place and time of delivery to the Merchant or at the place and time when they should have been delivered or where there is no such price according to the current market price by reference to the normal value of Goods of the same kind and quality at such place and time.

(B) Where the stage of Carriage where the loss or damage occurred can be proved:

(i) The liability of the Carrier shall be determined by the provisions contained in any international convention or national law of the country where the provisions:

(a) cannot be departed from by private contract to the detriment of the Merchant and

(b) would have applied if the Merchant had made a separate and direct contract with the Carrier in respect of the particular stage of Carriage where the loss or damage occurred and had received as evidence thereof any particular document which must be issued in order to make such international convention or national law applicable.

(ii) With respect to the transportation in the United States of America or in Canada to the Port of Loading or from the Port of Discharge, the responsibility of the Carrier shall be to procure transportation by carriers (one or more) and such transportation shall be subject to the inland carrier's contracts of carriage and tariffs and any law compulsorily applicable. The Carrier guarantees the fulfilment of such inland carrier's obligations under their contracts and tariffs.

(iii) Where neither (i) or (ii) above apply any liability of the Carrier shall be determined by (6)(3)(A) above.

### (4) GENERAL PROVISIONS

(A) Delay, Consequential Loss

Save as otherwise provided herein, the Carrier shall in no circumstances be liable for direct, indirect or consequential loss or damage caused by delay or by any other cause whatsoever and however caused. Without prejudice to the foregoing, if the Carrier is found liable for delay, liability shall be limited to the freight payable for the relevant stage of the transport.

(B) Package or Shipping Unit Limitation

Where the Hague Rules or any legislation making such Rules compulsorily applicable (such as COGSA or COGWA) to this Bill of Lading apply, the Carrier shall not, unless a declared value has been noted in accordance with (C) below, be or become liable for any loss or damage to or in connection with the Goods in an amount per package or shipping unit in excess of the package or shipping unit limitation as laid down by such Rules or legislation. Such limitation amount according to COGSA is US\$500 and according to COGWA is US\$100. If no limitation amount is applicable under such Rules or legislation the limitation shall be US\$500.

(C) Ad Valorem, Declared Value of Package or Shipping Unit

The Carrier's liability may be increased to a higher value by a declaration in writing of the value of the Goods by the shipper upon delivery to the Carrier of the Goods for shipment, such higher value being inserted on the front of this Bill of Lading in the space provided and, if required by the Carrier, extra freight paid in such case. If the actual value of the Goods shall exceed such declared value, the value shall nevertheless be deemed to be the declared value and the Carrier's liability, if any, shall not exceed the declared value and any partial loss or damage shall be adjusted on the basis of such declared value.

(D) Definition of Package or Shipping Unit

Where a Container is used to consolidate Goods and such Container is stuffed by the Carrier, the number of packages or shipping units stated on the face of this Bill of Lading in the box provided shall be deemed the number of packages or shipping units for the purpose of any limit of liability per package or shipping unit provided in any international convention or national law relating to the carriage of Goods by sea. Except as aforesaid the Container shall be considered the package or shipping unit.

The words "shipping unit" shall mean each physical unit or piece of cargo not shipped in a package, including articles or things of any description whatsoever, except Goods shipped in bulk or in the package of weight or measurement unit employed in calculating freight charges. As to Goods shipped in bulk, the limitation applicable thereto shall be the limitation provided in such convention or law which may be applicable to such Goods and anything herein be construed to be a waiver of limitation as to Goods shipped in bulk.

(E) Rust, etc.

It is agreed that superficial rust, oxidation or any like condition due to moisture, is not a kind of damage but is inherent to the nature of the Goods and acknowledgement of receipt of the Goods in apparent good order and condition is not a representation that such conditions of rust, oxidation or the like did not exist.

### (F) Notice of Loss or Damage

The Carrier shall be deemed prima facie to have delivered the Goods as described in this Bill of Lading unless notice of loss of, or damage to, the Goods indicating the general nature of such loss or damage, shall have been given in writing to the Carrier or to his representative at the place of delivery before or at the time of removal of the Goods into the custody of the person entitled to delivery therefrom under this Bill of Lading or if the loss or damage is not apparent within three consecutive days thereafter.

(G) Time-bar

The Carrier shall be discharged of all liability unless suit is brought in the proper forum and written notice thereof received by the Carrier within nine months after delivery of the Goods or the date on which the Goods should have been delivered, whichever is the later, and such period shall be subject to any convention or law which may be compulsorily applicable the period prescribed by such convention or law shall then apply.

## 7. MERCHANT'S RESPONSIBILITY

(1) The description and particulars of the Goods set out on the face hereof are furnished by the Merchant and the Carrier warrants to the Merchant that the description and particulars including, but not limited to, of weight, content, measure, quantity, quality, condition, marks, numbers and value are correct.

(2) The Merchant shall comply with all applicable laws, regulations and requirements of customs, port and other authorities and shall bear and pay all duties, taxes, fines, imposts, expenses and losses incurred or suffered by reason thereof or by reason of any illegal, incorrect or insufficient marking, numbering or addressing of the Goods.

(3) The Merchant undertakes that the Goods are packed in a manner adequate to withstand the ordinary usage of Carriage having regard to their nature and in compliance with all laws, regulations and requirements of customs, port and other authorities.

(4) No Goods which are or may become dangerous, inflammable or damaging or which are or may become liable to damage any property or person whatsoever shall be tendered to the Carrier for Carriage without the Goods being properly marked and without the Carrier or other covering in which the Goods are to be transported and the Goods being distinctly marked on the outside so as to indicate the nature and character of any such articles and so as to comply with all applicable laws, regulations and requirements. If any such articles are delivered to the Carrier without such written consent and marking or if in the opinion of the Carrier the articles are or are liable to become a dangerous, inflammable or damaging nature the same may at any time be destroyed, disposed of, abandoned or otherwise dealt with without compensation to the Merchant and without prejudice to the Carrier's right to charges.

(5) The Merchant shall be liable for the loss, damage, contamination, soiling, deterioration or damage before and after the Carriage is properly marked, including, but not limited to, Containers of the Carrier or any person or vessel (other than the Merchant) referred to in (5)(2) above caused by the Merchant or any person acting on his behalf or for which the Merchant is otherwise responsible.

(6) The Merchant shall defend, indemnify and hold harmless the Carrier against any loss, damage, claim, liability or expense whatsoever arising from any breach of the provisions of this clause 7 or from any cause in connection with the Goods for which the Carrier is not responsible.

## 8. CONTAINERS

(1) Goods may be stuffed by the Carrier in or on Containers and Goods may be stuffed with other Goods.

(2) The terms of this Bill of Lading shall govern the responsibility of the Carrier in connection with the supply of a Container to the Merchant, whether supplied before or after the Goods are received by the Carrier or delivered to the Merchant.

(3) If a Container has been stuffed by or on behalf of the Merchant:

(a) The Carrier shall not be liable for loss of or damage to the Goods

(b) caused by the manner in which the Container has been stuffed,

(c) caused by the unsuitability of the Goods for carriage in Containers

(4) Where the Container is damaged or defective condition of the Container provided that the Container is damaged or defective condition of the Container is not caused by paragraph (a) without any want of due diligence on the part of the Carrier or (b) without having been apparent upon reasonable inspection by the Merchant at or prior to the time when the Container was stuffed:

(i) if the Container is not sealed at the commencement of the Carriage except where the Carrier has agreed to seal the Container

(ii) if the Merchant is indemnified and holds harmless the Carrier against any loss, damage, claim, liability or expense whatsoever arising from one or more of the matters covered by (A) above except for (A)(iii) above.

(5) Where this Carrier is instructed to provide a Container in the absence of a written request to the contrary the Carrier is not under an obligation to provide a Container of any particular type or quality.

## 9. TEMPERATURE CONTROLLED CARGO

(1) The Merchant undertakes not to tender for transportation any Goods which require temperature control without previously having given notice in writing on the box on the front of this Bill of Lading if this Bill of Lading has been prepared by the Merchant or a person acting on his behalf of their nature and particular temperature range to be maintained and in the case of a temperature controlled Container stuffed by or on behalf of the Merchant that the Goods have been properly stuffed in the Container and that its thermometric controls have been properly set by the Merchant before receipt of the Goods by the Carrier.

If the above requirements are not complied with the Carrier shall not be liable for any loss of or damage to the Goods caused by such non-compliance.

(2) The Carrier shall not be liable for any loss of or damage to the Goods arising from defects in equipment, breakdown, stoppage of the temperature controlling machinery, plant, insulation or any apparatus of the Container, provided that the Carrier shall before or at the beginning of the Carriage exercise due diligence to maintain the refrigerated Container in an efficient state.

## 10. INSPECTION OF GOODS

The Carrier or any person authorised by the Carrier shall be entitled, but under no obligation, to open any Container or package at any time and to inspect the Goods.

## 11. MATTERS AFFECTING PERFORMANCE

(A) without notice to the Merchant abandon the Carriage of the Goods and where reasonably possible place the Goods or any part of them at the Merchant's disposal at any place which the Carrier may deem safe and convenient, whereupon the responsibility of the Carrier in respect of such Goods shall cease;

(B) without prejudice to the Carrier's right subsequently to abandon the Carriage under (A) above, continue the Carriage.

In any event the Carrier shall be entitled to full Charges on Goods received for Carriage and the Merchant shall pay any additional costs resulting from the above mentioned circumstances.

(2) The liability of the Carrier in respect of the Goods shall cease on the delivery or other disposition of the Goods in accordance with the orders or recommendations given by any government or authority or any person acting or purporting to act as or on behalf of such government or authority.

## 12. METHODS AND ROUTE OF TRANSPORTATION

(1) The Carrier may at any time and without notice to the Merchant:

## 13. DECK CARGO AND LIVESTOCK

Subject to (2) below, such Goods whether carried on deck or under deck shall participate in General Average and such Goods (other than livestock) shall be deemed to be within the definition of Goods for the purposes of the Hague Rules or any legislation making such Rules or the Hague Visby Rules compulsorily applicable (such as COGSA or COGWA) to this Bill of Lading.
